

MAJESTIC C

DESCRIPTION

MAJESTIC C is a premium performance mineral compressor oil blended from highly refined base oils and carefully selected additives. The oil provides excellent oxidation resistance, corrosion protection, outstanding EP characteristics allowing for smooth, economical operation under the most severe conditions. MAJESTIC C meets the performance requirement of DIN 51506 class VDL.

FEATURES AND BENEFITS

- Effective rust and corrosion protection
- Excellent water separability
- High load carrying ability
- Outstanding oxidation and thermal stability
- Low ash and carbon formation

APPLICATION

MAJESTIC C is recommended for single and multistate reciprocating air compressors in marine and industrial applications. It is particularly effective for continuous high temperature operations with discharge temperatures.

TYPICAL SPECIFICATION

ISO GRADE		32	46	68	100
Kinematic Viscosity at 40°C (cSt)	ASTM D445	29	46	68	97
Kinematic Viscosity at 100°C (cSt)	ASTM D445	5.4	6.8	8.5	11.0
Viscosity Index	ASTM D2270	116	110	105	100
Flash Point COC (°C)	ASTM D92	215	220	230	242
Pour Point (°C)	ASTM D97	-15	-12	-12	-10
